THANK YOU

We've had a very positive start back including significantly improved attendance in most classes. I really appreciate your support with this. Being here, every day, on time, is vital. We will continue to recognise and celebrate fantastic attendance. Please keep it up Abbeyhillians! The Attendance Team will continue to monitor attendance and provide support when needed.

THANK YOU

Mr J-N

SCHOOL PARLIAMENT

Well done to all our newly-elected school MPs. They have lots of important work to do this year, representing their classmates. A heartfelt thank you to the fantastic MPs from last year too. Listening to our Abbeyhillians is very important to us.

PARENT/CARER EVENTS

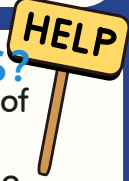

In the parent survey we did in the summer, a key theme was more chances to come in to school. We're very excited about this! This year we'll offer a range of coffee morning, classroom visits, special days (Mother's Day/Father's day etc) and workshops for parents/carers. The QR code and link here take you to a list of workshops you can book onto this Autumn. We will add to it and update you when we do.

CAN YOU HELP US?

We value the help and support of our Abbeyhillian families. We're looking for a few volunteers who may like to help hear children read in school. Please visit the office and someone will contact you to discuss it. Thanks!

SENSORY ROOM

Our new Sensory Room has been installed and is in use already. We are very proud to have this to support our Abbeyhillians.

DINNER ORDER CUT-OFF

Kitchen staff have advised that the cut-off time for ordering a dinner is 10:30am. If you arrive after 10:30am and have not notified school, a dinner cannot be ordered and a packed lunch will need bringing.
