ABBEY HILL NEWSLETTER

The News from The Hill

WELCOME BACK!

Welcome back to the Spring term at Abbey Hill. I hope everyone had happy Christmases. We're excited about an exciting new year of adventures here on The Hill.

The children have had an extra-special start to their new topics with 'launch activities' in their classes. This has included a Victorian afternoon and some very ingenious up-cycling in year 5. This fun and excitement is a sign of things to come!

Happy New Year!

Mr J-N

SCHOOL DINNERS

Children can now choose whether to have the hot meal of the day or a school-provided packed lunch as their school meal. Children in Reception, Year 1 and Year 2 are all eligible for 'Universal Free School Meals' and can choose a school meal at no cost (This is different to eligible for free school meals).

CLASS DOJO

Class Dojo is now 'live'. The 2 primary uses are: Non-serious 2-way messaging which was raised in our last parents' survey AND to share school news electronically e.g photos/dates/events. The app offers some paid features which are not needed for any of what we use it for. If this ever changed, we would review which app we used as a school.

ATTENDANCE

As part of our attendance policy, you will receive a half-termly update of your child's attendance via text message. The attendance percentage reflects days so far so if a child has 1 day off ill in the Autumn, but no further days off in the Spring, their attendance percentage will go up etc. Daily, punctual attendance is important but also, under Government Policy, where pupils are persistently absent or where term-time holidays are taken, penalty notices may be issued.

DISCO FEEDBACK

The Christmas Discos were a huge success and we thank you for your support. Thank you also to the staff who helped organise these and stayed late too! There are exciting plans for Spring events!

Mon 20th Jan
Gareth Baker author visit to school

Tues 21st Jan
Partake History Egyptian Day in Year 6

Weds 29th Jan
Jo Jingles sessions for Pre-School and Nursery
