

SPRING Attendance

THANK YOU FOR YOUR FEEDBACK

We recently asked for your feedback on attendance including things which were challenges and anything school could do to help. We have put this together in response to your contributions. Thank you.

YOUR FEEDBACK SAID:

The most popular suggestion was a "Golden Gate". We will trial this. One day each week we will hand out raffle tickets to every child who arrives between 8:40 and 8:50. We won't say which day it is each week. We will then draw 3 raffle winners. If you're on time every day each week, you will have multiple raffle tickets and chances to win.

A number of you felt Breakfast Club would be useful. If you would like more information about Breakfast Club or support to access, please do speak to the office or message us on Dojo.

Meetings to discuss attendance were also chosen. We will introduce these as a measure we take where a family's attendance gives us significant cause for concern. This includes punctuality.

The NHS provides guidance on the "Is my child too ill for school?" page. We shared this recently and you can access the link by following the button here.
