

# YEAR 3

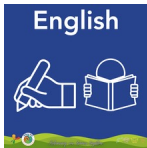

Autumn 1

A warm welcome to team Year 3!

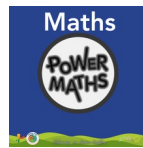

Miss Ashley is the Year 3 class teacher. She will be joined by the amazing Miss Day and fabulous Mr P. We are incredibly excited to welcome you into Year 3. This will be the beginning of your Key Stage Two adventure.

We can't wait to get started!

## English

We'll write a short story and learn the skills to entertain our audience. We'll also be sharing some instructions inspired by Ancient Egypt!

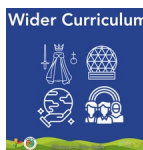

## Maths

We focus on place value up 1,000. We'll be using all 4 operations starting with addition and subtraction.

## PE and Sport

In our 2 PE lessons each week, one lesson focusses on fundamentals of movement. In our other, we have Paceball UK joining us!

## Wider Curriculum

**How powerful are the pyramids?** Step into the mysterious world of Ancient Egypt, where the Nile River flowed with life and powerful pharaohs ruled as gods. This incredible civilization, born over 5,000 years ago, gifted the world with inventions like hieroglyphics.

## How you can get involved

Reading at home.

This is so important and beneficial to your child.

Don't forget to log into TTRS to practise your times-tables.

You can also challenge your friends and the teachers to times-tables battles too.

Do you have what it takes?
