

YEAR 1

Autumn 1

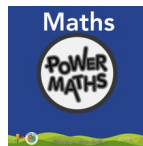

A very warm welcome to Year 1. The Year 1 team is Mr Perkins and Mrs Melton. We are very excited about the year ahead and all the learning we will be doing together. Year 1 will be full of exciting opportunities as the children start to move from Early Years into Key Stage 1, and we are looking forward to the challenges that lie ahead!!

English

We'll focus on familiar tales like The Three Little Pigs and developing our storytelling skills.

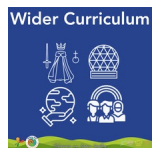

Maths

We'll be focusing on our core number knowledge including adding and subtracting numbers to 10.

PE and Sport

In PE we will be developing our exercise skills. We'll also have football coaching from Mansfield Town! Our PE Days are **Tuesdays** and **Thursdays**.

Wider Curriculum

Where can magnificent maps lead us?

Welcome to the world of maps and navigation! Have you ever wondered how we can find our way around the school or even across the globe? Let's uncover how these tools help us make sense of the world!

How you can get involved

Singing nursery rhymes and counting songs will continue to support your child to learn how to confidently count. This is still a really important skill to develop. Reading with your child is also still so important. Either their school reading book or reading them a library book at bed time. Don't forget to fill in the yellow reading diary!

- PE will be on Tuesdays and Thursdays.
- Stay and Read on Wednesdays.
- Watch out for our Christmas performance in December!

Achieving our dreams together
