

ABBEY HILL NEWSLETTER

The News from The Hill

THANK YOU

As the end of year arrives, we say goodbye and goodluck to the Class of 2025. Our Year 6s have been a credit to us all. Good luck to all of you at secondary school and please do come back to see us. We wish good luck and goodbye to, to children who are moving house or schools. We'll miss you all!

It has been a busy and exciting year at Abbey Hill and there have been so many positives to celebrate. Whether that's our Discos, Christmas Plays, fantastic achievements in learning or exciting new trips, I hope you and your children end the year proud Abbeyhillians.

Thank you for your support of school, of our Abbeyhillians and a particular thank you from me to all the staff here.

Mr J-N

Class Dojo will close down over the summer in order for us to move over classes and staff. Year 6 accounts will be removed. You'll be automatically connected to your child's new teaching team in September.

COMING
SOON

Home Learning will be introduced in September with us first trialling an approach from feedback from pupils and families.

Save the date for Fri 7th Nov! We're going to open school up to all of you to visit our School Museum! Every classroom will turn into a 'gallery' of learning and artefacts. Learning in the Autumn Term will all contribute to this!

We return to school on
Tuesday 2nd September

Achieving our Dreams Together
