

# YEAR 3

Spring 1

WELCOME

Welcome to the Spring term!

We are excited to dive into a new and exciting term in Y3.

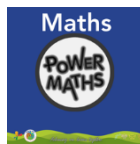

Thank you for your continued support in promoting attendance.

We have enjoyed lots of rewards for our impressive attendance figures as we whizz around our 'Hillopoly' board.

English

We'll write a short story and learn the skills to entertain our audience. We'll also be composing a persuasive piece to inform of the importance of our oceans.

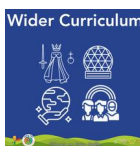

Maths

We will be learning the formal written methods of multiplication and division before using these skills to solve multi-step problems.

PE and Sport

In our 2 PE lessons each week, one lesson focusses on fundamentals of movement. In our other, we have Chance to Shine joining us to deliver cricket.

Wider Curriculum

## Where can we set sail?

Dive into the wonders of life on the water. With every wave, every drop our oceans and rivers support life, waiting for us to explore their depths and uncover their secrets.

## How you can get involved

Keep up to date with the latest news and events on Class DoJo.

TTRS is a fabulous resource to practise times-tables. Battle, beat the clock and so many more exciting ways to learn.

Diary.

- PE  
Wednesday and Thursday
- Local Area Visit
