

YEAR 4

Spring 1

Welcome to the Spring term!

We are excited to dive into a new and exciting term in Year 4. I am really looking forward to be the new Year 4 teacher!

Thank you for your continued support in promoting attendance: it's important the children are at school every day for both their learning and friendships.

English

We'll write a short story based on 'Town is by the Sea' and learn the skills to entertain our audience. We'll also be composing a non-chronological report about the Vikings.

Maths

We will be learning further about the formal written methods of multiplication and division before using these skills to solve multi-step problems.

PE and Sport

In our 2 PE lessons each week, one lesson focusses on fundamentals of teamwork and communication. In our other, we have Chance to Shine joining us to deliver cricket.

Wider Curriculum

How do invasion change Britain?

We will be exploring the invasions and the impact they had on the country. We will be designing and launching a Viking theme park.

How you can get involved

Keep up to date with the latest news and events on Class DoJo.

- PE Tuesdays and Thursdays

TTRS is a fabulous resource to practise times-tables. Battle, beat the clock and so many more exciting ways to learn. I'll talk to you more about the official Multiplication Check at Parents' Evening.

Achieving our dreams together
