### HEADTEACHER'S MESSAGE

We've had a lovely sunny start back for the Summer Term and with lots of exciting events coming up! We have trips upcoming for several year groups as well as our Colour Run coming at the end of the month. There are a number of important reminders in this newsletter and we thank you for your support with these.

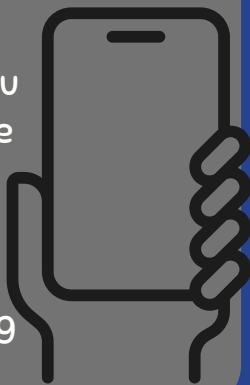

Mr J-N

Our Eleven before you're 11 initiative is something we're really excited about. The first stage, which includes a prize draw, is just to suggest a book you think every child should read before they leave Primary School. Then, we'll vote on our top 11 to become our 11 books. We believe reading is the greatest gift we can give and we want to make sure we're making reading exciting and successful. Please do join in by making a suggestion and make sure you vote at the next stage too!

### PHONES ON SITE

As part of our safeguarding procedures, use of phones on site should be kept to a minimum. We understand there may be times or situations when you need to make calls. When we have special events like assemblies or Sports Days, we confirm special arrangements for the taking of photographs. Thank you.

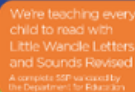

### WHATSAPP

We thank you for your support in being vigilant of your child's use of social media, including WhatsApp. We know there are lots of benefits to use of technology and we teach our Abbeyhillians about this. However, we also see that WhatsApp-related issues can cause a lot of upset in school.

### IN THE LINE AT TEN TO NINE

Attendance has improved massively this year and we are so glad. One of the biggest things still impacting on attendance is being late. Please ensure you're here on time at 8:50am.

Achieving our Dreams Together
